GMBC SADQAH E JAARIYAH PROJECT

An opportunity to be part of Establishing a community Sadqah E Jaariyah Project and earning a perpetual reward for yourself and your beloved Murhoom

Sadaqah Jariyah for the Deceased

Sadaqah Jariyah can also be earned by the deceased through their actions when they were alive or through the actions of others who dedicate it to the deceased. Many people choose to dedicate acts of Sadaqah to their deceased parents.

Some of the best Sadaqaah Jariyah for the deceased can be by building a masjid, a water well, or a water pump on behalf of the deceased. Prophet Muhammad (PBUH) was asked: "Which charity is best?" He replied, "[Providing] water". [Abu Dawud]

GMBC has been working towards a project for a few years now that aims to build community facilities in a needy area in Kenya.

The facilities that we intend to build include a Masjid, Madressa, Imaam salary, mortuary with Ghusl, and provision of water to the locality. We need to raise £20,000 for this project, and so far, we have raised around £12,000 thanks to the generous support of the Gloucester Community.

We are pleased to announce the start of the Al Imdaad Sahaba City Project No. 7, dedicated to the esteemed Sahabi, Hamza Bin Abul Motalib RA. Inshaa-Allah, after Ramadan, the construction of the GMBC Masjid will begin, providing essential facilities for the local and wider community in that area.

We invite you to contribute towards this much-awaited project and earn multiple rewards of the blessed month for yourself and your loved ones. Your donation will make a difference to help complete this project.

You can donate directly to the JustGiving link below 🙏 or to any of our GMBC team

Developments underway at Village 7 of our Sahaba City Project in Nairobi Area, in Kenya's Tana River County. 🏗️🌟 Dedicated to the esteemed Sahabi, Hamzah Bin Abul Mutalib (RA), this village will soon be home to 100 families, thanks to your generous support. We're currently laying foundations to transform lives. Watch out for more updates as construction proceeds in the coming months.
